

Course: Enhance your career and employability skills
Assignment 5: Making a good impression
Name: Klaas Joris Schut

One area of strength in your interview skills

Interested body language

I tend to look interested when listening. This shows itself by my body language (slight leaning towards the interviewing, nodding and looking the eyes).

One areas for improvement in your interview skills

Vagueness

Sometimes my answers are vague and general instead of specific and to the point.
